

Course Evaluation: Monetary Economics (Fall 2022)

The original Course Evaluation report is attached after this table. The original report does not include the questions so the questions along with the mean, median and institute wide average have been specified in the table below. The options available to student were: 0= Not at all, 1=Less than average, 2=Average, 3=Greater than average and 4=Very much so.

Questions	Average Score	Median Score	Institute Average Score
Amount of material covered in this course was just right	3.00	4.00	3.14
Topics were covered in a logical sequence	2.82	3.00	3.18
Pace of instruction was even	3.00	4.00	3.08
Assignments helped better understand the course material	2.91	3.00	2.94
Text/reference material was easily available	2.82	3.00	3.08
Exams truly reflected the grasp of course material	2.64	3.00	2.99
Lectures were useful	2.73	3.00	3.11
Experiments were meaningful	3.00	3.00	3.41
Equipment available in the laboratory were functioning	3.00	3.00	3.46
Course objectives were fulfilled	3.67	4.00	3.29
Fundamental principles were emphasized	3.56	4.00	3.30
Board work was of good quality	3.33	3.00	3.11
The presentation of lecture material was well organized	3.56	4.00	3.26
The questions raised in class were satisfactorily answered	3.56	4.00	3.32
The grading was consistent	3.22	4.00	3.13
All the allotted lectures were held	3.78	4.00	3.37
Visual aids were useful	3.78	4.00	3.27
Computer assisted aids were useful	3.67	4.00	3.50
Overall the instruction was effective	3.56	4.00	3.24
The instructor taught well	3.56	4.00	3.28
